At around 6:20pm we were coming down 123rd driving North and witnessed a Volvo Sedan pulling two female skateboarders tied to to car. We witnessed one girl losing control down by where the accident occurred & ended up in the yard where the accident occurred. The car continued North on 123rd & we had just gone inside our house & less than 5 min after we heard a loud "bang". We ran out to see that the Volvo had hit the neighbors car.
